A VERY HAPPY NEW YEAR TO ALL OUR RESIDENTS

From all of us At Arcadise Property Management

2019 has been a fascinating year. For us at Arcadise, our journey began somewhere in the middle of the year. Slowly but surely, we are beginning to make a name for ourselves in the industry.

As for our present residents whom we are working with, everyone has had a pleasant and fulfilling experience, and we aim to do even better for the upcoming year. This newsletter is a testament of how we want to find meaningful ways to connect, engage and bond with our various stakeholders.

2020 will be an exciting one for us. We will grow even further in our outreach and leave a lasting impression to whomever we meet. We wish the very same for every one of you. Here is to wishing you a great 2020 and may all your wishes and aspirations come true.

WISH TO PLAY AN ACTIVE PART IN SAVING THE EARTH ?

here is a guide to recycling in Singapore.....

You'd be surprised by the things that people dump into recycling bins in our estates – some of the astonishing finds include toilet bowl covers, basketballs and old tires. Many of us are well-intentioned when we deposit items into the bins, but there are many things that do not belong there. Likewise, there are many items we can recycle, but end up just throwing away
